

How to submit a paper in EasyChair?

1. Navigate to the ICET4SD 2017 EasyChair system, at <https://easychair.org/conferences/?conf=icet4sd2017>
2. Log in with your EasyChair account (or Signup if this is the first time you use EasyChair)
3. Click 'Enter as an Author'

4. Click on the tab 'New Submission'.

5. Fill out the forms to provide citation information, such as author names, a title, abstract and keywords. If any of your co-authors have already signed up to EasyChair, you should click 'Add an Associate' to search for them, as opposed to adding their information manually.

Author Information

For each of the authors please fill out the form below. Some items on the form are explained here:

- **Email address** will only be used for communication with the authors. It will not appear in public Web pages of the submission page. The email address can be omitted for authors who are not corresponding. These authors will also have no access to the submission page.
- **Web page** can be used on the conference Web pages, for example, for making the program. It should be a Web author, not the Web page of her or his organization.
- Each author marked as a **corresponding author** will receive email messages from the system about this submission. At least one corresponding author must be marked.
